Ordinary Men is a microhistory, the detailed study of a single unit in the Nazi killing machine. Browning evaluates a wide range of evidence to seek to explain the actions of the "ordinary men" who made up reserve Police Battalion 101, taking advantage of the wide range of resources prepared in the early 1960s for a proposed war crimes trial. He concludes that his subjects were not "evil ...

Ordinary Magic The biggest surprise that emerged from the study of children who overcome adversity to become successful youth and adults in sociology was the ordinariness of the phenomenon (Masten, 2001). Captivating stories of resilient individuals may have created misleading perceptions that resilience is rare and results from extraordinary talents or resources (symbolized by magic powers ...
