Our Aging Society Paradox And Promise - tldr.io

According to the contributors, we are faced with a paradox in which there is both the promise of humane survival or disaster. An Aging Society is a solid, scholarly collaboration on a subject that touches the lives of every American. It is an excellent introduction to the subject for the neophyte, but savvy enough for the more informed reader. In the years 2010 to 2030, the over-65s will form ...

Our Aging Society: Paradox and Promise

Critical gerontology may be seen as evolving along two paths simultaneously, one embracing a broad political economy of ageing framework, and the second emerging from a humanistic orientation.

Critical Perspectives on Ageing: New Challenges for

The Paradox of Aging Discussion: We are all familiar with the downside of aging. Our physical health declines as we age, albeit at varying rates for different individuals. In the aggregate, we are more likely to suffer from chronic conditions such as arthritis and heart disease, to experience functional disability although not all chronic conditions result in functional loss, and to fall and ...

Problems of an Aging Population in an Era of Technology – Michael Gordon, MD, FRCP(C) – Abstract . With the substantially growing number of elderly persons in Canada and the rest of the developed world, the need for adequate health and social care will increase.

Problems of an Aging Population in an Era of Technology

Abstract. The term "paradox" signifies a contradiction of some sort. Modern health care appears to be rich in contradictions, and it is claimed to be paradoxical in a number of ways. In particular health care is held to be a paradox itself: it is supposed to do good, but is accused of doing harm.
