Their great African safari dugout canoes would be just too flimsy and would easily tip over in these dangerous African great rivers if one had opted to get into the deep jungles of Africa for the best hunting places.

### **Jungles in Africa | Afrojungle**

Africa is a continent comprising 63 political territories, representing the largest of the great southward projections from the main mass of Earth's surface. Within its regular outline, it comprises an area of 30,368,609 km<sup>2</sup> (11,725,385 sq mi), excluding adjacent islands.

### **Geography of Africa - Wikipedia**

The Congo Jungle, also known as the Congolian, is the second largest jungle in the world. It is spread over the basin of the Congo River and its branches in Central Africa. It includes the territories of Cameroon, Gabon, Central Republic of Congo, and the southwestern portion of the Central African Republic. On account of its unique biodiversity, five national parks of the Congo Jungle are listed as UN World Heritage sites. It is considered an

Misconceptions About Africa. Most scholars, historians and political scientists view Africa as having five cultural-geographic regions; North Africa, West Africa, Central Africa, East Africa and Southern Africa. It is especially important for students in the Americas to study the cultures and civilizations of West Africa, because West Africa is the region of Africa where most African Americans ...

For all those who believe that all African people are black, are all American people Native Americans? Hundreds of years ago, European explorers, conquerors and settlers traveled around the globe and developed the land they settled on. This happened all over the world including in North America, South America, Asia and Africa. The first white people that settled in Namibia for example, were ...
