

parties and party systems pdf

A political party is an organized group of people, often with common views, who come together to contest elections and hold power in the government.

Political party - Wikipedia

Political parties in the United States are mostly dominated by a two-party system consisting of the Democrats and the Republicans. Though, the United States Constitution has always been silent on the issue of political parties, since at the time it was signed in 1787 there were no parties in the nation.
