One of the fundamental keys to getting sponsored is your ability to create a winning sponsorship proposal. It's an important document in the process of going from sponsorship seeker to marketing partner.

10 essential steps to create a winning sponsorship

Viral marketing or viral advertising is a business strategy that uses existing social networks to promote a product. Its name refers to how consumers spread information about a product with other people in their social networks, much in the same way that a virus spreads from one person to another. It can be delivered by word of mouth or ...
